ABOUT

I'm passionate about designing and developing websites. A keen learner with high motivation, enthusiasm, and always willing to innovate new things which can improve the existing technology. A strong team player who has the attitude to lead.

WORK EXPERIENCE

2022 - 2023

Front End Developer Intern - Triquetra Healthcare Pvt Ltd

- I have been a part of a dynamic team, collaborating with experienced professionals to create innovative web applications and contribute to the overall development.

PROJECTS

VEHICLE MANAGEMENT

- This user-friendly website provides a centralized hub for efficiently managing various aspects related to vehicles, including tracking, maintenance, scheduling, and reporting.

PORTFOLIO

- I have developed my personal portfolio website to showcase my skills and the work that I have done.

CERTIFICATIONS

- Python Programming
- Cybersecurity Essentials
- Essential Google Cloud Infrastructure
- Google Cloud Fundamentals
